

Strategic Priorities 2017 - 2020

Mission

An association that is the recognized leader in promoting collaboration and building capacity in organizations that provide distress and crisis response

Sustainability

Strengthen collaboration and work in concert to bolster the sustainability of DCO and our member organizations

Member Benefits and Services

Enhance the value of membership to ensure benefits and services meet members' needs

Relationship Building

Foster strategic relationships internally amongst members and externally with like-minded partners, while positioning DCO as an expert resource in the provision of rapid access to emotional, distress, crisis and suicide support

DCO Organizational Structure

Review key organizational components to ensure currency, effectiveness and efficiency; then realign and reorganize where necessary

Marketing and Communications

Engage members in employing marketing and communication more strategically

Vision

An environment of collaboration and networking with universal access to support for individuals in distress and crisis
